NEW TRAIL AT ARENA

Many thanks to Sandy Dorr, Bob Dorr, and Cheryl Howard for their hard work on our "Obstacle Trail". This approximately 1 mile course works it's way around the arena grounds. Some obstacles are the trail itself with gullies, serpentine, inclines, and wildlife. As time goes on, other obstacles will be added such as a backing "L", a rope gate, and much more.

Check out the trail map on the east side of the concession stand and look for the orange markers to guide you.

HERE COW - MOOOO!

Don't forget - the first sorting weekend will be July 9th & 10th. Saturday start time is 12:00 noon and Sunday start time is 1:00 pm.

Come with your team ready or find a partner when you get there.

HELP!!!

The concession stand is in **great** need of help at our various events. 2 to 3 adults are needed in order for us to provide this service. The money generated by our concession stand goes directly back to funding the club, YOUR club!! No helpers could mean no concessions - please call Jennifer Bogle at 676-4486 to be scheduled.

NOXIOUS WEEDS TARGETED

Our weed management program is underway. Spraying in several areas has already been completed. Please watch for notices regarding additional chemical spraying at the arena. For safety, people and animals need to stay out of these areas for 3 days after each spraying.

SCHA SHOW AT RCC

The SCHA show on June 25th went very smoothly - many thanks to all who helped! It was a very long (and hot!) day, but was easier due to our volunteers.

Are you a writer??

The Club is looking for someone to write an article of weekly info - gymkhana results, upcoming events, etc. - to submit to the local newspaper. If you're interested, please contact Kathy Lesser.
